	CPIW/M	DAE	

Cleveland – The Poorest City – Harvest for Hunger Project

The City of Cleveland has the dubious honor of being the poorest major city in the United States of America, as reported by the U.S. Census Bureau. Factors contributing include: 32.4% of the residents living below the federal poverty level, the foreclosure crisis and an unemployment rate of 5.6% which is higher than the national average of 5.0%.

The Insurance Women of Cleveland is inviting its sister associations in Ohio to help tackle this on a small scale at our State Annual Meeting in November. At that time we will be conducting a “Harvest for Hunger” campaign and collect items for the Cleveland Food Bank to feed needy families for Thanksgiving. We are asking you to bring items such as:

- Boxed Potatoes
- Rice
- Stuffing Mix
- Gravy Mix
- Muffin/Biscuit Mix
- Canned Vegetables
- Canned Cranberries
- Canned Pumpkin
- Pie Crust Mix

Those individuals bringing items will qualify for the door prize drawing which will offer some nifty items. In the event you forget your items, we will accept cash. With the cash we will ask Giant Eagle to provide gift cards for turkeys.

We look forward to your help and support!
